To whomever it may concern,

It is my pleasure to endorse Niharika for employment in your esteemed organisation. Niharika has been working with us since June 2021 , during which she worked as a frontend developer in our organisation.

Niharika possesses the ultimate "can do" attitude while taking on all tasks with a positive energy and a smile. She is very well organized and keeps track of the details necessary to coordinate events of this kind. I am confident that she will display a high degree of commitment and discharge her job duties and responsibilities with diligence in your organisation. She is a fast learner and takes initiative to go beyond the expected parameters of her job.

She took complete ownership of the tasks assigned to her, researching diligently and thoroughly till she has found the most efficient solution. Niharika is willing to take risks and doesn't shy away from putting in extra hours of work.

I recommend Niharika without reservation. I am confident that she will quickly build rapport with your staff and stakeholders.
